

National Agriculture Day

Did You Know?

- Nebraska agriculture contributes more than \$10 billion to Nebraska's economy each year.
- Twenty-one percent of all Nebraskans are employed in farm or farm-related jobs.
- Nebraska's farms and ranches utilize 45.9 million acres — 93% of the state's total land area.

We should all take pride in Nebraska agriculture!

“Nebraska Agriculture Feeds the World”

National Ag Week
March 20-26, 2005
